Holiday in Trogir

Do you know who Kairos is? According to Greek mythology it is a god of opportunity embodied in the character of a beautiful young man with wings on his feet, who, always in a hurry, passes mortal men and that who catches him by the tuft of his hair gets an opportunity – "a lucky moment". Do you know where you can see him? In Benedictine convent in Trogir, a town called "town museum". In 1997 UNESCO enlisted Trogir's town center as a world heritage site. Tower Kamerlengo, palace ipiko, Radovan's portal... all this awaits you.
