The Lagoon 380's swift hulls are a direct result of the considerable progress achieved in competitive multihull design by the world renowned design team of (Van Peteghem and Lauriot-Prevost). As a result of years of experience and research, the Lagoon 380 is well thought out: easy access to the engines from the transom skirt, large comfortable cockpit with table and benches, electric windlass, rigid catwalk on the trampoline, safe and wide side-decks &hellip; A

simple and efficient deck plan, offering both security and comfort. All control lines are led aft to the helm station. Sailing on the Lagoon 380 is safe, fast and easy, even with a short handed crew.
